

WEEKLY UPDATE

November 19, 2021

Dear Residents and Families/Representatives,

Happy Friday! Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that we currently have no confirmed cases of COVID-19 in our facility. As we enter into the upcoming Thanksgiving Week, we are truly grateful for all of our residents, staff members, families, Physicians, Nurse Practitioners, vendors, and volunteers.

We are implementing new visitation measures to continue to ensure resident, staff, and visitor safety during visitation time. Please continue to check out our website for these updates. You can continue to contact our Activities Department at 803-432-3741, in order to schedule your outdoor visit(s), in order to ensure that there is adequate spacing, as outlined in basic core principles of COVID-19 Infection Control, and/or virtual visits. Please feel free to visit your loved ones at their windows at any time. Our residents love to receive mail as well.

Please continue to check our website for weekly updates, changes in visitation processes, as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 803-432-3741.

Sincerely,

Ashley Lloyd, LNHA, BSW, MA, MHA
Administrator
